EUROPEAN COOPERATION
IN SCIENCE & TECHNOLOGY

COST ACTIONS WITH PARTICIPANTS FROM ALBANIA

> The Geography of New Working Spaces and the Impact on the Periphery

> European Network for Optimization of Veterinary Antimicrobial Treatment

> Future communications with higher-symmetric engineered artificial materials

> Taste and Odor in early diagnosis of source and drinking Water Problems

> Global Atrocity Justice Constellations

> Multi3Generation: Multi-task, Multilingual, Multi-modal Language Generation

> Multi-disciplinary innovation for social change

> Conservation of freshwater mussels: a pan-European approach

> PROfiling the atmospheric Boundary layer at European scale

> European transdisciplinary networking platform for marine biotechnology

❝ Being part of a COST Action is easy compared with other programmes and the way the network of collaboration is created is awesome. It is my first time of participating in COST Action and I am looking forward to experiencing this project. ❞

Dr Eglantina Kalluci, Associate Professor, Deputy Dean Faculty of Natural Sciences, Department of Applied Mathematics, University of Tirana
