RUNNING ACTIONS LED BY CZECH REPUBLIC

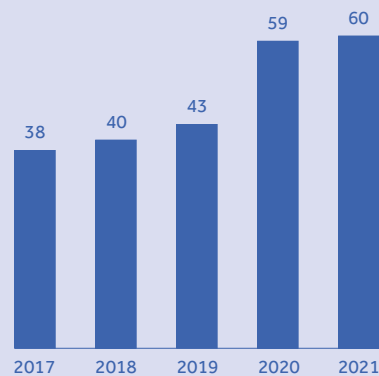

Examples of Chaired and Vice Chaired Actions

- Trace metal metabolism in plants
- Fractional-order systems - analysis, synthesis and their importance for future design
- Three-dimensional forest ecosystem monitoring and better understanding by terrestrial-based technologies
- An integrative action for multidisciplinary studies on cellular structural networks
- Natural Flood Retention on Private Land
- Implementation Research Network in Stroke Care Quality - IRENE
- Opportunistic precipitation sensing network
- European Network For Gender Balance in Informatics
- Plasma applications for smart and sustainable agriculture

MAKING THE HEADLINES

The screenshot shows the website Věda a výzkum.cz. The main article is titled "Věda o štěstí: Doktorandi a duševní zdraví" and is dated 12. 8. 2022. The article text reads: "Jak jsou na tom doktorandi s duševním zdravím? V rámci dalšího dílu našeho seriálu Věda o štěstí jsme se podívali na to, jakou potřebují Ph. D. studenti podporu k dosažení rovnováhy a pohody v práci." Below the text is a photograph of a young man in a blue hoodie sitting on a couch, covering his face with his hands in a gesture of distress or exhaustion. At the bottom of the screenshot, a Windows taskbar is visible with various application icons.

“

The COST Action enabled me to enlarge my scientific network. I met many new colleagues and we are preparing several manuscripts and project proposals together. I am very happy to have the chance to be part of it.
