MAKING THE HEADLINES

The screenshot shows a news article on the iDNES.cz website. The main headline is "Ajtáci skládají stavebnici, naučit se to může každý, říká lektorka z Czechitas". The article is dated 7. srpna 2022. The text mentions a lecturer from Czechitas, Barbora Bůhnová, who encourages girls to take an interest in IT. There is a photo of Barbora Bůhnová and a video player with the title "ZANIKLÉ TRATĚ: Trať z Chuchelné byla pašerákům osudná, při nehodě uhořela".

“

COST helped me to join a transdisciplinary team that deals with cutting-edge research on new working spaces that helped me to grow both professionally and personally. Taking part in a COST Action helped me to extend a network for me and my peers with similar career paths who were seeking international leadership.
