LEADERSHIP POSITIONS IN COST ACTIONS

LEADERSHIP IN DETAIL

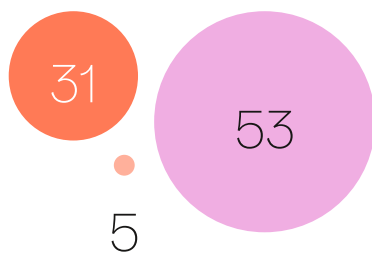

81 leaders

- Women
- Men
- Young researchers and innovators

PARTICIPATION IN NETWORKING ACTIVITIES

- Short-term scientific missions
- Trainees
- Trainers

NETWORKING ACTIVITIES IN AUSTRIA

- Short-term scientific missions
- Training schools
- Meetings

AUSTRIA

TESTIMONIAL

« COST offers an excellent platform for meeting people from the same research area throughout Europe. I really appreciate the exchange of ideas and methods, and I have already benefited from this in my work at the Institute in Vienna. Hopefully, COST will lead to new, highly innovative research projects ».

MS SANDRA HAIDER

Medical University of Vienna, Austria

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

** The arrow icon is a clickable link to each Action*

- Pan-European network for sustainable hydropower
- European network for skin engineering and modeling
- CLIL network for languages in education: towards bi- and multilingual disciplinary literacies
- 3rs concepts to improve the quality of biomedical science
- European curvature and biology network
- Collaboratively developed culturally appropriate and inclusive assessment tool for palliative care education
- A European flyway research network for the effective conservation of migrant landbirds
- Radionuclide theragnostics for personalised medicine
- Print culture and public spheres in Central Europe 1500–1800
- Social, biological and climatic impacts of salt ages

SUCCESS STORY

LET'S TALK ABOUT SEX WITH ESMN

Story with Dr Marianne Greil-Soyka from the Austrian Academy of Sexual Medicine, Chair of the Action ESMN
