- Training schools
- Meetings

IRELAND

TESTIMONIAL

« I recommend COST to anyone interested in broadening their disciplinary and regional horizons. I have worked with historians, economists, sociologists, philosophers and religious studies experts in a genuinely interdisciplinary space. Ireland's position on the Northwest edge of Europe means we need to look past the bigger states towards the Balkans, the Caucasus and Eastern Europe for new perspectives ».

DR GRAHAM FINLAY

University College Dublin, Ireland

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

* *The arrow icon is a clickable link to each Action*

- Advancing social inclusion through technology and empowerment
- Determinants of physical activities in settings
- History of identity documentation in European nations: citizenship, nationality and migration
- Implementation network Europe for cancer survivorship care
- Harnessing the potential of underutilized crops to promote sustainable food production
- Cancer- understanding prevention in intellectual disabilities
- Religious identity, bullying and wellbeing at school: a transnational collaboration
- Digital mental health for young people

SUCCESS STORY

COST ACTIONS FIGHTING INTERSTITIAL LUNG DISEASE

Story with Prof. Killian Hurley of the Royal College of Physicians and Surgeons, Chair of Open ILD Action
