LEADERSHIP POSITIONS IN COST ACTIONS

LEADERSHIP IN DETAIL

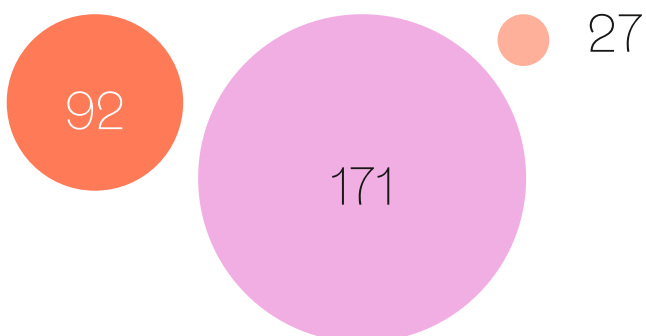

215 leaders

- Women
- Men
- Young researchers and innovators

PARTICIPATION IN NETWORKING ACTIVITIES

- Short-term scientific missions
- Trainees
- Trainers

NETWORKING ACTIVITIES IN ITALY

- Short-term scientific missions
- Training schools
- Meetings

ITALY

TESTIMONIAL

« COST Action has given me so much, not only on a professional level, but also on a personal level. Some of the collaborations we started are still active and we have even developed strong friendships with some of the members. There have also been several career advancements thanks to COST ».

DR ELENA CUOCO

European Gravitational Observatory, Italy

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

* *The arrow icon is a clickable link to each Action*

- Marine animal forest of the world
- Platform work inclusion living lab
- Information, coding, and biological function: the dynamics of life
- The role of immunity in tackling Parkinson's disease through a translational network
- European network for diagnosis and treatment of antibiotic-resistant bacterial infections
- Cosmic wisps in the dark universe: theory, astrophysics and experiments
- P2x receptors as a therapeutic opportunity
- Fruit tree crop responses to water deficit and decision support systems applications
- Cartan geometry, lie, integrable systems, quantum group theories for applications
- Network for implementing multiomic approaches in atherosclerotic cardiovascular disease prevention and research
- Mediterranean cancer screening and early diagnosis network

SUCCESS STORY

MEDSALT: DELVING INTO THE SALTY SECRETS OF THE MEDITERRANEAN

Story with Dr Angelo Camerlenghi from National Institute of Oceanography and Applied Geophysics, Chair of MEDSALT
